Greetings Fellow Sewers. *Wishing you all a Happy and Healthy 2017.*

You'll be excited when you see what's in store for this year. First Semester is jam packed with new Quilts and Techniques and our popular Beginners Patchwork, Dressmaking, Machine Embroidery and some fabulous Needlework.

A big Welcome to our new Team Members Trish, Pauline, Sue and Lorna.

Trish brings with her many years experience with Bernina Machines and Overlockers. Specializing in Machine Embroidery and Digitizing as well as her gift of producing some very quirky projects of which you have already experienced a few.

Lorna is just off the boat from England and together with her great accent and sense of humour we have already nicknamed her 'the bag lady' as she already has overflowing classes in a myriad of different shaped bags to show you.

Pauline is our Patchwork Teacher who has a new and exciting format. She has even brought back the old favourite "Quillo" great Quilt for the favourite kids in your life – they love them.

Sue Landers is your mystery Quilt Queen and many other projects to follow soon. Watch this space.

Denise of "Hot Possum" is aboard this year with her fabulous design experience and keen eye for the modern designs. So look forward to seeing new creations in the modern department.

Let's not forget our tried and true regulars who we couldn't do without. Jan, Mahrie, Toni, Bernie, Annie our all-rounders with many years experience in Dressmaking and Patchwork to share with you.

Toni in Dressmaking who excels in filling her classes to the brim and encouraging everyone to create amazing garments.

Bernie is our Janome Machine Embroidery teacher who adds flair with his excitement and showing his great clothes designs also.

Myself and Michelle, my daughter are the Quilters in the shop. She is run off her feet to provide the quickest turnaround and best quilting in Perth. Over 1000 designs to choose from and top quality threads to finish your projects off to the perfection they deserve.

A new concept this year is the Pop Up class. Watch your emails carefully because if an advertised class doesn't run another exciting project will be taking it's place.

Exciting times ahead ladies and remember "When All Is Said and Done – More Is Said Than Done" so lets make 2017 a "Doing" and Memorable year.

Until we meet again may your days be "Pieceful"
