

Exciting Times Ahead

If you thought the first half of the year was fun, wait until you see what we have planned for the second half.

Our little business is pleased to welcome both a new staff member in Mahrie Kelly and new teacher's including Denise from Hot Possum fame and Bobbie Hudd who will be teaching Long Arm Quilting for us.

Mahrie is bright and bubbly and our soon to be guru on our fabulous range of Bernina Machines Software and Digitising will be on the cards soon ready for next year, while presently she can share with you Bernina's amazing achievements. Having the only Long Arm Bernina set up for the public to try in Perth it is very exciting for our little family of mad Quilters.

Denise has already run some exciting classes this year and all in the evening just to help the ladies unable to attend during the day. See our write up on "The Gypsy Wife" Quilt for the details of 2nd Semester.

Ladies, if you are planning on giving Quilts for gifts this Xmas, now is the time to get those tops finished and in for Quilting with our in-house Quilter Michelle, as that little room is "On Fire".

Further through the Newsletter you will see all your old favourites are back, just in case you missed out and some very exciting new projects with wonderful new techniques for you to master with Sharon our Patchwork teacher. Many of the projects are already on display to wet your appetite.

Toni our Dress Making teacher has had to run 2 classes for the budding Dressmakers as numbers in classes have grown – so if you are interested get in with your class enrolments early.

That leaves Jan and Myself to dazzle you with our range of fabrics, now in excess of 10,000 bolts and growing YAY!!

If you are a sewing group – come along anytime and we will provide morning or afternoon tea and give you all 20% discount off your purchases. Excluding sewing machines and Horn Cabinets. Please phone to book in 9259 4844
