

“Welcome! Welcome! Welcome!”

To All Our Patchwork Friends,

What an exciting time we are having. We are entering our second year of Patchwork trading and have moved to our fabulous warehouse. Fresh air and space has given our shop a fabulous ambience and enabled us to hang many of our wonderful quilts to inspire you and feed our passion.

The next six months of the year will find workshops almost everyday. We will repeat some of your favourites that you missed out on and have many new techniques to show you, including Fabric Painting on cotton and silk with Jan Cornish Exciting!!

Our new store has heaps more fabric room, 2 classrooms with extra cutting tables and inside toilets - yay.

Bill has his own soundproof room for repairs so no more yelling over the noise of the air compressor.

The best part is our long-arm quilting machine is now in all it's glory at 12 foot and now has computerised patterns.

We love it xoxox.

Toni has been busy passing on her masterful Dressmaking skills to both ladies and school girls. We must think about a fashion parade.

Sharon our Patchwork Queen has been flat out with creations beyond our imagination. Her eye for colours is amazing.

Jan still knows all about every machine manufactured and their fittings and surprises us all with her retention of information.

Our lovely Annie who is missed at the moment, not well, gives us great humour during her Tuesday shift - customer's old and new love to compare stories and quilt designs with her.

Kerry has had to leave us temporarily to get her country life on track and will hopefully be back soon to share her inspirational ideas. We all miss her.

Danielle is joining us soon to teach pattern making and dressmaking for those who need a Saturday class.

Welcome! Welcome!

Jill has some new classes for the second half of the year that are very exciting. Watch this space!!

The friends we have made never cease to amaze me. I love our new venture, that my daughter (the techo head and up and coming machine embroidery guru) and I have embarked on.

Thanks!! To all of you for this great opportunity you have created for us.

Q *What do you call a group of quilters in a fabric shop*
A *Nuts and Bolts!*

Yay we are a breed of our own.

Love and Laughter

HAPPY SEWING
