

# Happy New Year to all you sewers out there.

I hope everyone had very happy holidays with family and friends and you are ready for the New Year. It is going to be a great year I can tell. Time to revive your passions in life for "Sewing"

What an exciting year ahead we have planned. A change of format is required this year to entice some new ideas for classes. Lots more options including some evening dressmaking classes and Saturday sit and sew UFO days for the quilters not able to attend during the week. We are trying a term style of bookings and class lists to enable us to change classes every 3 months. We have kept classes without increases for another year except Machine Embroidery which has had a slight increase due to an increase in Teacher fees.

All your favourite classes are still running eg Beginners Dressmaking, Beginners Patchwork, Hand Embroidery, Stretch Sewing, Machine Embroidery Beginners/Advanced and Longarm Quilting. Later in the year some surprises in store.

In mid March we are starting a new fortnightly Friday evening class. See class list for details. The pattern and fabrics will be exclusive to the class and not available for sale in the shop until the 8 lessons have finished. Another new initiative for us all is the introduction of a new royalty system. We can explain this to you on your next visit.

## NEW NEW NEW TO SOUTHLANDS

A fabulous quilt called "Follow Your Heart" will be taught every second Friday evening for 8 evenings 5.30pm - 8.30pm. The pattern and fabric will be exclusive to the ladies enrolling for the class. Kits will be available. This beautiful quilt features "Tomorrows Promise" fabric by the Maywood Studio. 5 beautiful appliqued different cottages surrounded by flower blocks and hearts and a lovely scalloped edge. \$55 per lesson will cover tuition, pattern and all fabric for your quilt top. Measuring 70 x 60 it is beautiful. Photos available now in store and hopefully fabric and quilt to view in the next couple of weeks.

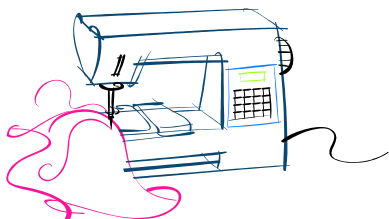

We are also on Facebook - Like Us On Facebook for daily/weekly updates
